

# Headteacher's Newsletter Issue 1

## Welcome to Willow Grove

What a wonderful start to life at Willow Grove we've had! The children are settling well and we have already had some fantastic learning happening! Thank you for supporting our high expectations of the children. Look out for an invite in to school to see your child's artwork which will be submitted to the National Gallery's Take One Picture Exhibition. We are keeping our fingers crossed that some of our work may even be chosen to be exhibited in the gallery in London!

Thank you for your patience whilst we are sorting out a few minor issues as we have opened up. I will try to clarify here for you some of the questions we've had:  
Snacks for breaktime - please provide a piece of fruit or vegetables for now. We will be providing this once the scheme has been set up but there was a delay with our DfE number being recognised by the scheme that provides free fruit and veg for schools. We will let you know when this is in place.

Drinks - a free drink of milk will be provided for the EYFS children from Monday. Other than this, a bottle of water should be the only other drink needed from home.

Clubs - an email has gone out today to clarify about the clubs. Unfortunately, some clubs haven't had enough uptake to run this half-term but we will put the link out again and try for next half-term as we do have the coaches lined up and ready. Links for Boxing and Nature Club will come out shortly.

Please know that we are here to help and if you have any questions, please do get in touch! You can expect a weekly Newsletter from me which will keep you informed about life in school!

Mrs Kennedy
