

# Headteacher's Newsletter Issue 6

## Reading activities

On the 20th November at 2:30pm we would like to invite parents/carers into your child's classroom. Reading for pleasure will be the focus of this session which is a key part of life at Willow Grove. The teacher will read a book, you will then have the opportunity to explore some fun book related activities with your child.

## PTA Events!

Thank you to the parents who have already been involved in the PTA (Parent Teacher Association). This fabulous group will help to organise events throughout the year and will play a huge part in building our learning community at Willow Grove! If you'd like to be involved, please leave your name and email address with the school office and we will pass on your details.

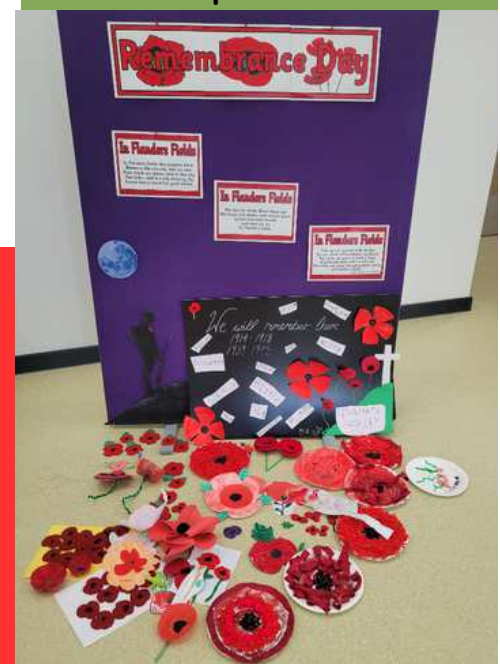

Thank you for your poppies! The effort that you all went to was heartwarming to see! The children were very reflective during this occasion and we were impressed with their maturity and empathy. It was wonderful to see so many different styles and individual personalities shining through in your designs and the children couldn't wait to add them to our display. They completed their two minute silence with respect and care.
