Raffle

We are delighted to announce that our wonderful PTA have managed to secure prizes worth over £1000 for our latest raffle! What an achievement! The raffle is open to all - please do feel free to share far and wide so that we can raise as much as possible to support the school. Friends, family and the wider community are all welcome to purchase tickets. Raising money in this way will really support us in purchasing some of the 'nice to haves' not funded through the basic school budget. Our biggest wish at the moment is to purchase a school piano to be used in assemblies, by visiting musicians and by peripatetic music teachers for whole class lessons, clubs and small group / 1:1 instrument tuition! Please do purchase your tickets and share the link:

Bedtime Stories

We are excited to be able to offer 'bedtime stories' for all children on Thursday 4th December from 5:15pm to 6:15pm. Children are invited to come back to school at 5:15pm in their pyjamas - staff will read stories and we will share milk and cookies. Parents/carers are invited to stay in school, sharing a tea or coffee and having a social hour together in the hall whilst this is happening.

Snow White

We are all looking forward to M and M Productions visiting us on Monday 24th November to perform 'Snow White' - a fabulous musical theatre show to all of our children. Please do ensure that you have paid for this through Arbor - payments have been a little slow. If we are going to be able to offer such brilliant opportunities, we do need the support of families to help to pay for these events. We know that this can be a tricky time of year financially, so we will leave the payments open - if you haven't managed to pay yet, please do so as soon as possible. As always, we want to support families - if you are struggling financially and would like some support, such as more time to pay or payment in instalments, please do get in touch.
